PUBLIC DEBT.

Simla, the 5th July, 1912.

THREE-AND-A-HALF PER CENT LOAN.

No. 204-F.—His Excellency the Right Honourable the Governor General in Council has resolved to borrow three hundred lakhs of rupees for the public service in the following manner :

2. Promissory Notes will be issued for the said amount in the Form annexed to this Notification, being the form of the notes of the *Three-and-a-half Per Cent Loan of 1900-01*, of which loan the notes to be now issued will form a part. All the conditions which apply to notes of the *Three-and-a-half Per Cent Loan of 1900-01*, will apply to the notes to be now issued. The interest on the notes of that loan is payable half-yearly on the 30th day of June and the 31st day of December.

Tenders.

3. Tenders for the whole or any part of the said amount of Rs. 3,00,00,000 will be received by the Comptroller General from this date to noon, standard time,* of Friday the 19th July 1912. Tenders must be for sums of 100 Rupees or multiples of that sum.

* Noon, standard time, corresponds to 12.24 P.M., Calcutta time.

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller General, Calcutta, and enclosed in a closed cover, superscribed "*Tender for the Three-and-a-half Per Cent Loan.*" If the tenderer is not resident in India, he must name an agent resident in India, to whom an allotment-certificate may be issued, if any part of the loan is allotted to such tenderer.

NOTE (1).—Tenders made in accordance with these instructions will also be received by the Accountants General at Madras and Bombay on account of the Comptroller General, Calcutta, on the 18th July and up to noon, standard time,* on the 19th July provided that—

- (a) they are delivered personally or by clerk or messenger at the Accountant General's Office (where a receipt will be given for them);
- (b) they are made on printed forms, to be obtained at the same office or at the local Presidency Bank;
- (c) each tender is for not less than Rs. 10,000;
- (d) the deposit is either a Promissory Note or a Treasury Receipt from the local office of the Presidency Bank, or a cheque on a local Bank in favour of the Accountant General;
- (e) the amount of the tender is made payable at the place of tender, viz., Madras or Bombay (as the case may be) or in Calcutta;

and the Accountant General will return deposits on non-accepted tenders and will issue allotment-certificates so far as the tenders are payable in Madras or Bombay.

5. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms—as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders—will be rejected as null and void.

6. The rate at which a tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out and the tender treated as if the rate did not contain such fraction of an anna.

Deposits.

7. Each tender must be accompanied by a deposit of not less than one-hundredth or, if the tender be for less than Five Lakhs of Rupees, then for not less than one-fiftieth part of the tender. The deposit must be in one of the following forms: (a) a receipt for the amount from the Head Office of the Bank of Bengal, or Madras, or Bombay or one of their Branches, or from an officer in charge of some Public Treasury, or (b) a cheque drawn in favour of the Comptroller General on a Bank in Calcutta, Madras or Bombay, or (c) Government Promissory Notes† standing in the name of, or endorsed to, the tenderer or the person making the deposit.

† It is particularly requested that such Promissory Notes may NOT be endorsed to the Comptroller General.

8 (a) Deposits, not being Promissory Notes, will, in the case of accepted tenders, be credited proportionately in part payment of the allotment-certificates issued in respect of the tender, and will bear interest for the purpose of clause 16 below from the date of the opening of tenders. When a tender is not accepted in full, the deposits, when they are not in the form of Promissory Notes, will be credited as far as possible proportionately in part payment of the allotment-certificates issued in respect of it. If any allotment-certificate is not fully taken up, the deposit credited in respect of it will be forfeited.

(b) Promissory Notes deposited in respect of any accepted tender will be held until all the allotment-certificates issued in respect of the tender are paid up, and will, if the allotment-certificates are not fully taken up, be appropriated by the Government and cancelled.

Opening of Tenders.

9. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller General, and, before the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

10. Tenders will be opened publicly by the Comptroller General at the Treasury Buildings, Calcutta, at noon, standard time,* on Friday, the 19th July next, and those received under the terms of note (1) to clause 4 will be similarly opened by the Accountants General at Madras and Bombay at noon, standard time,* on the same day; but the contents of the tenders will not be disclosed otherwise than as provided in clause 12.

* Noon, standard time, corresponds to 12-24 P.M., Calcutta time.

11. Tenders at rates not below the minimum rate will be accepted in the order of the rates tendered, beginning with the highest rate. The amount allotted at the lowest rate, at which tenders are accepted will be divided amongst those who have tendered at this rate in proportion, as nearly as may be found convenient, to the amounts of their tenders; provided that no allotment will be issued if the amount distributable on any tender is less than Rs. 100; preference will however be given to small tenders, not exceeding Rs. 2,000, at the lowest accepted rate, such tenders receiving allotments in full as far as possible.

Allotment-Certificates.

12. To each tenderer (or to his agent) whose tender is accepted in whole or in part, such number of allotment-certificates as may be necessary to make up the aggregate amount allotted to him will be issued by the Comptroller General¹ as soon as possible after the 19th July and an alphabetical list of the names of those to whom such allotment-certificates are issued will be posted for general information at the Head Offices of the Banks of Bengal, Madras and Bombay.

¹ For tenders received by the Accountant General at Madras or Bombay, and payable at those places, the Accountant General will issue the allotment-certificates.

13. If the allotment made on any tender is less than Rs. 3,000, then the whole of the allotment-certificates [after credit of the deposit under clause 8 (a)] will be made payable upon the 2nd September.

Otherwise, the whole amount of each allotment will be divided into two instalments as follows:—

Instalment I.—As near as convenient to 50 per cent, but not less than 50 per cent, payable upon the 5th August.

Instalment II.—The balance payable upon the 2nd September, and allotment-certificates will be issued for each instalment separately.

But the whole or any part of any accepted tender may be paid at any time after receipt of the allotment-certificates.

The words "as near as convenient" refer to the necessity for making each instalment an exact multiple of Rs. 100.

14. Any allotment-certificates will, on application to the Comptroller General, be exchanged for an equivalent amount of allotment-certificates of smaller denominations; provided that if any payment (beyond the deposit) is recorded upon the cancelled certificate, it can be taken against, and recorded upon, only one of the certificates issued in exchange.

15. Payment of any allotment-certificate may be made to the account of the Government in the Head Office of the Bank of Bengal, or Madras, or Bombay, or in any Branch of these Banks or into any Public Treasury or Treasuries in India which may be named in the tender in respect of which it was issued. Receipts for such payments will be given by the Banks of Bengal, Madras and Bombay, or their Branches, or by the officers in charge of the Government Treasuries at which payment is made, by encasement upon the relative certificate.

Issue of Promissory Notes.

16. (a) When any allotment-certificate is fully paid up, the holder will, on presenting it duly receipted at the place where it was paid, obtain from the Public Debt Office, Calcutta, Promissory Notes of such values as he may desire (each note being in even hundreds and not less than Rs. 100) bearing interest from the 31st December 1912, and he will also receive interest at 3½ per cent per annum from the dates on which he may have made payment till the 30th December 1912.

(b) Or he may, at his option, by paying interest at the said rate from the 30th June 1912 to the dates on which he may have made payment, obtain Promissory Notes as above, bearing interest from the 30th June 1912.

EMIGRATION.

No. 5458-5473-56.

RESOLUTION—By the Government of India, Department of Commerce and Industry.

With reference to the Resolution of the Government of India, No. 3284-3302-56, dated the 26th April 1912, the following papers showing that the immigration of British Indians into the Argentine Republic is not regarded with favour by the Republican authorities, are published for general information. Intending emigrants are again warned of the risk they incur in proceeding to that country.

Translation of a letter from the Director General of Immigration, Buenos Aires, dated the 29th January 1912, to the Acting British Consul.

I have the pleasure to acknowledge the receipt of your letter in which you ask me to allow 59 Hindoos, who came by the S.S. *Savoia*, to enter the Immigrants' Hotel, and to permit them to prepare their food in accordance with their religious rites.

In reply, I have to inform you that, in respect to such Asiatic immigration, the National Constitution in Article 35 (*sic*) provides that the State should encourage European immigration, and in conformity with this article, the Immigration Law was drawn up, which is at present in force, and which only grants facilities to immigration from Europe.

A short time ago Dr. de la Plaza, the Vice-President of the Nation, received a letter from the Punjab (India) asking what facilities were accorded to Hindoos who desired to come to the Republic. The Vice-President was good enough to send the letter on to me, and I answered it by quoting the above-mentioned article of the Constitution, which is very explicit as to the kind of immigration which the Republic should encourage. Dr. de la Plaza, whose legal attainments and thorough knowledge of the Constitution are known to everybody, approved the answer given to the enquirer, and this approval, in view of the high position which he occupies, reflects the opinion of the Government in this matter.

Dr. Lobos, at that time Minister of Agriculture, also gave his approval to the answer, which is doubtless also in accordance with the views of Dr. Mujica, the present Minister.

For these reasons this Directorate regrets that it is impossible to extend the benefits of the Immigration Law to the said Hindoos.

Letter from the Minister of Agriculture, dated the 1st February 1912, to the Minister for Foreign Affairs and Public Worship, Buenos Aires.

In reply to Your Excellency's request, I have the pleasure to inform you that the 59 Sikhs (natives of British India) who arrived on the 28th instant by the S.S. *Savoia* have been landed, and are at present, according to the report of the Directorate of Immigration, at San Martin, in the province of Buenos Aires.

Had it not been for this circumstance, the Ministry under my charge, desirous of deferring to the request put forward by the British Minister, would have ordered the admission of those passengers to the Immigrants' Hotel, but nevertheless putting on record that such order did not constitute a precedent.

The observations contained in the note addressed to Your Excellency by the British Minister cannot, in the opinion of this Department, be accepted by the Argentine Government in view of the considerations which I will briefly place before Your Excellency.

Our Immigration Law is but the regulations based on the Article of the Constitution which charges the Federal Government with the duty of fostering European immigration. The provisions of the said law must, therefore, be interpreted in conjunction with the fundamental injunction upon which they were based, the more so when that injunction concerns questions of vital importance connected with the future of our national population.

The Immigrants' Hotel was established as one of the various measures for protecting and encouraging immigration, as not only is the immigrant lodged and fed therein during a stated period, but he is afforded all information which can be of use to him, work is endeavoured to be found for him, and even after he has left the establishment his questions are answered. It is evident therefore that that institution is intended for European immigration, the only kind which is to be fostered according to the Constitutional injunction.

On the other hand, in the Immigration Law itself provisions exist, amongst others those of Articles 4 and 18, which are in agreement with the reasons set forth above, as they refer exclusively to European places or ports as the only points, outside the American continent, which can provide the Republic with immigration susceptible of being fostered.

Further the European immigrants, in order to enjoy the right of being admitted into the Immigrants' Hotel, must "give sufficient proof of good conduct and fitness for some industry, art, or useful work" (Article 14 of the quoted law).

It appears to me, Senor Ministro, to be unnecessary to expatiate at length on reasons tending to show the right of the Argentine Government to limit its protection and assistance to such immigration as, in their opinion, may serve the interests of the Republic. Such a right, from its very nature, is not open to discussion.

With regard to the provisions of Article II of the Treaty of Friendship, Commerce and Navigation between Great Britain and the United Provinces of the River Plate, it is evident that it is not relative to the case which gave rise to the present communication. At no moment has there been any idea on the part of this Ministry to impede the entry of the natives of British India into our territory who arrived by the S.S. *Savoia*.

Solely for the above reasons have I thought fit not to authorise their stay at the Immigrants' Hotel, which, as I have said before, is intended for that immigration which is encouraged by the Argentine Government.

Ordered that a copy of the above Resolution be forwarded to all Local Governments and Administrations, for information and such action as may be considered necessary, and to the Home and Foreign Departments, for information.

Ordered also that a copy be published in the *Gazette of India* for general information.

No. 757.—In consequence of the extension of the Decoration of the Victoria Cross to the Indian Officers, Non-commissioned Officers and Men of the Indian Army, the present 1st Class of the Military Division of the Indian Order of Merit, with the allowances attached thereto, is abolished, and the existing 2nd and 3rd Classes of the Order, with their attendant allowances, are renamed 1st and 2nd Class, respectively.

These changes, which have effect from the 12th December 1911, will not affect the interests of incumbents who were admitted to the Order with effect from a date prior thereto, nor will they prejudice claims* to the continuance or restoration of the allowances, of widows whose deceased husbands were members of the Order previous to that date.

* Army Department Notification No. 666, dated the 5th July 1912.

General Orders Nos. 83, dated the 17th April 1837, and 94, dated the 1st May 1837, by the Right Hon'ble the Governor-General in Council, relating to the institution, rules and regulations of the Order, are hereby modified to the extent set forth above.

No. 758.—The Governor-General in Council is pleased to notify that had No. 2265 Sowar Nazar Mohamed Khan, 39th King George's Own Central India Horse, survived, the distinction of the 2nd Class of the Military Division of the Indian Order of Merit would have been conferred upon him in recognition of the conspicuous gallantry displayed at the tower on the Kutal-i-Dukhtar on the 24th December 1911, during the disturbances in Persia. Sowar Nazar Mohamed Khan was one of three advanced scouts of Major H. B. Birdwood's party which was *en route* to Kazerun. On reaching the tower and while in conversation with some apparently friendly *toofangchis* (road-guards), they were suddenly surrounded and an attempt made to seize their rifles. They resisted, upon which Sowar Nazar Mahomed Khan was shot in the face and fell from his horse, still retaining his rifle. Of the other two scouts, one was slashed across the hands with knives and his rifle wrested from him, while the other had his horse shot under him. Both men were overpowered, and efforts were made to drag them into the tower, but Sowar Nazar Mahomed Khan, although lying wounded out in the open about 15 yards from the tower, opened fire and succeeded in saving the lives of his two comrades by preventing the enemy from entering it before the arrival of the main body under Major Birdwood's command. Unfortunately Sowar Nazar Mohamed Khan while firing, was wounded again by a shot fired from the top of the tower and died the same day.

His widow is admitted to the pension of the 2nd Class of the Order, with effect from the date of his death.

No. 1674-I.-B.—The following Statutes, dated the 9th March, 1912, are published for general information :

GEORGE, R. & I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come. Greeting :

Whereas, by Warrants under His late Majesty's Royal Sign Manual, dated the Eighth day of August in the year of our Lord one thousand nine hundred and two and the second year of His Reign, the twenty-ninth day of November in the year of our Lord one thousand nine hundred and six and the sixth year of His Reign, the twenty-seventh day of

May, one thousand nine hundred and eight, and the eighth year of His Reign, and the seventeenth day of June one thousand nine hundred and nine in the ninth year of His Reign, His late Majesty, being desirous of recognising more fully than had theretofore been possible the faithful and meritorious services rendered to Him by Members of the Civil Services of the various parts of His Empire, did, for Himself, His Heirs and Successors institute and create a new Civil Order of Distinction—to be designated the Imperial Service Order—and He was graciously pleased to Make, Ordain, and Establish Rules and Ordinances for the government of the same :

And whereas We are minded to make certain amendments and additions to the Statutes of the Order :

Now, therefore, in pursuance and in the exercise of the power vested in Us by the aforesaid Statutes, and in order to enable Us to carry this Our Will and Pleasure into effect, We do hereby abrogate the aforesaid Statutes of the eighth day of August one thousand nine hundred and two, the twenty-ninth day of November one thousand nine hundred and six, the twenty-seventh day of May one thousand nine hundred and eight and the seventeenth day of June one thousand nine hundred and nine and the same are abrogated accordingly, but without prejudice to any thing done thereunder; and in lieu thereof, We do by these Presents Make, Ordain, and Establish the following Statutes and Ordinances :

Firstly.—It is ordained that this Order shall henceforth be styled and designated "The Imperial Service Order."

Secondly.—It is ordained that the Order shall consist of the Sovereign, the Prince of Wales, and such Companions as We, Our Heirs, or Successors, shall appoint.

Thirdly.—It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fourthly.—It is ordained that only the Members of the administrative or clerical branches of Our Civil Services shall be eligible for the distinction of Companions of this Order.

Fifthly.—It is ordained that the number of Companions of the Order shall not exceed seven hundred, of whom two hundred and fifty shall belong to Our Home Civil Service, two hundred to Our Civil Services in India, including the Staff of Our Secretary of State for India (one hundred appointments being reserved for Europeans and one hundred for natives of India), and two hundred and fifty to the Civil Services of Our Dominions beyond the Seas, and Countries under Our Protection, including the Staff of the Crown Agents for the Colonies.

Sixthly.—It is ordained that no person shall be eligible to be a Companion of the Order, whose name has not been laid before Us, Our Heirs or Successors, by one of Our or Their Principal Secretaries of State, and who has not at the time of his or her nomination rendered at least twenty-five years' meritorious service in Our said Civil Services : Provided that in the Indian Empire the minimum period of service in the case of Europeans shall be twenty years, and that in any part of Our Dominions beyond the Seas, or any Country under Our Protection, which, under the Pension Acts or Regulations applying thereto, is recognised as unhealthy, the minimum of service shall be sixteen years: Provided also that it shall be competent to Us, Our Heirs or Successors, to appoint specially to the Order persons, who, not having completed the aforesaid periods of service, have rendered such eminently meritorious service as to qualify them, in Our opinion, to become recipients of this distinction.

Seventhly.—It is ordained that when We, Our Heirs, and Successors, shall be pleased to appoint any person to be a Companion of the Order, such appointment shall be made by Warrant under Our Sign Manual and countersigned by one of Our Principal Secretaries of State.

Eighthly.—It is ordained that the decoration to be worn by Companions of the Order shall be : for men, a Badge or Medallion of gold or enamel, bearing Our Imperial and Royal Cypher, and the words "For Faithful Service," both to be executed in dark blue enamel on a plaque or shield of gold, surrounded by a seven-pointed star of silver, surmounted by the Imperial Crown; and for women, a Badge or Medallion in all respects similar to the Badge or Medallion for men, save that the plaque or shield of gold shall be surrounded by a wreath of laurel in silver instead of a star, surmounted by the Imperial Crown.

Ninthly.—It is ordained that the decoration shall be worn by male Companions on the left breast, suspended by a ribbon of one inch and a half in width, consisting of a strip of blue between two strips of crimson of equal size, and by female Companions on the left shoulder, suspended by a ribbon of the same colour and width, fashioned into a bow.

Tenthly.—It is ordained that the names of those upon whom We are pleased to confer the decoration shall be published in the London Gazette.

Eleventhly.—It is ordained that Companions of the Order shall have the privilege of adding the Letters "I. S. O." after their names.

Twelfthly.—It is ordained that members of any Order of Knighthood shall, if otherwise qualified, be eligible to become Companions of this Order, and that male Companions of this Order shall in no way be debarred from becoming thereafter Members of any Order of Knighthood for which their services may qualify them.

Thirteenthly.—It is ordained that the Imperial Service Order shall rank next to, and immediately after, Our Distinguished Service Order, and before the Fifth Class of Our Royal Victorian Order, and the Companions thereof shall, in all places and assemblies whatsoever, have place and precedence next to, and immediately after, the Companions of the Distinguished Service Order, and shall rank among themselves according to the dates of their respective nominations.

Fourteenthly.—It is ordained that it shall be competent to Us, Our Heirs and Successors, by a Warrant under Our Royal Sign Manual, to cancel and annul the appointment of any Companion of this Order, and that thereupon his name in the Register shall be erased; but that it shall be competent for the Sovereign to restore to the Order any person whose appointment may have been so cancelled and annulled when circumstances render it just and expedient so to do.

Fifteenthly.—It is ordained that those Members of Our Civil Services, who are not eligible for appointment as Companions of this Order may, on retirement from Our said Services, after not less than twenty-five years of meritorious service, or, in the case of Europeans serving in the Indian Empire, after not less than twenty years of such service, or in the case of service in any part of Our Dominions beyond the Seas, or any Country under Our Protection which, under the Pension Acts or Regulations applying thereto, is recognized as unhealthy, after not less than sixteen years of such service, be awarded a Medal to be designated "The Imperial Service Medal": Provided that no such Medal shall be granted except on the recommendation of one of Our Principal Secretaries of State: Provided also that it shall be competent to Us, Our Heirs or Successors, to confer the Medal upon not more than five Members of Our Civil Services in each year, who have retired after less than twenty-five years' service, should the special circumstances in Our or Their opinion justify the grant.

Sixteenthly.—It is ordained that the Imperial Service Medal for men and for women shall in all respects be similar to the badge of the Imperial Service Order for men and women respectively, save that the plaque shall be of silver, instead of gold, and the star or wreath of laurel shall be of bronze instead of silver, and it is ordained that the Imperial Service Medal shall be worn in a similar manner to that prescribed for the Imperial Service Order, and that these Medals shall bear on the reverse the name of the recipient.

Seventeenthly.—It is ordained that the names of those persons to whom the Imperial Service Medal shall be granted shall be duly published in the London Gazette.

Eighteenthly.—It is ordained that it shall be competent for Us, Our Heirs and Successors, by a Warrant under Our Royal Sign Manual, to cancel and annul the award of any Imperial Service Medal, and that thereupon the name of the recipient in the Register shall be erased; but it shall be competent for the Sovereign to restore the Medal to any person whose name may have been so erased, when circumstances render it just and expedient so to do. And every person to whom the said Medal is awarded shall, before receiving the same enter into an agreement to return the Medal, if his name shall be erased as aforesaid.

Nineteenthly.—It is ordained that an Officer shall be appointed to the Order who shall be styled "Secretary and Registrar," and who shall be *ex-officio* a Companion of the Order.

Twentiethly.—It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the Archives of the Order, which shall be kept in the Office of Our Secretary of State for the Home Department. He shall attend the service of the Order and shall execute such directions as he may receive from Our Principal Secretaries of State.

Lastly.—We reserve to Ourselves, Our Heirs and Successors, full powers of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Saint James's this ninth day of March, one thousand nine hundred and twelve, in the second year of Our Reign.
